

## 0.1 Amendment

Replaces all language related to “participation points” and “housing points”.

At the Housing Lottery, an individual’s standing shall be the sum of their Participation Points and their Housing Points.

### 0.1.1 Housing Points

“Housing Points” are cumulative and never revoked, except under extenuating circumstances by unanimous vote of the CIF Board.

### 0.1.2 Participation Points

“Participation Points” disappear at the end of the Housing Lottery each year. In the event that an individual cannot participate in the Lottery, their Participation Points are halved and both their Housing Points and Participation Points will remain constant until they are again eligible to participate in the Lottery.

## 0.2 Points Assignment

## 0.3 Good Standing

A member shall be considered “in good standing” if they have paid their dues for a semester, attended a percentage of required events to be determined by the Board at the start of that semester, and not been probated or subjected to disciplinary action during that semester. In the event that a member has a valid excuse, as considered by majority of the Board, for missing an event, that event shall be subtracted from both the number of events attended and the number total for the purposes of determining said percentage.

## 0.4 Nomination

Any CIF member may at any time nominate another CIF member to receive points by sending to the CIF Board a short reason for their nomination. If a

majority of the Board agrees with the nomination, the member shall be awarded points as per the above table.

## **0.5 Misconduct**

In the event of misconduct in point assignment, an appeal may be made to the Board by any member of the floor. The Board shall vote and in the event a majority agrees with the appeal, points shall be reassigned.
